Certified Stormwater Inspector Classes

Certified Stormwater Inspector - Municipal

Pittsburgh, PA March 24-25, 2014

Designed specifically for MS4 personnel this course focuses on stormwater permit compliance as the key to restore and maintain the waters of the United States. Testing will be conducted; students are required to achieve a minimum overall score of 75% to be awarded 1.2 CEUs (Continuing Education Units) from National Stormwater Center, and a five (5) year Inspector Certificate. This course primarily serves those municipal permittees and their consultants who have responsibility for:

- | | | |
|--------------------------|-------------------------------------|---|
| Construction Inspections | Industrial & Commercial Inspections | Illicit Discharge Detection Elimination |
| Pollution Prevention | Post Construction (LID) | Public Education |
| Public Participation | Municipal Operations | Audits |

Certified Stormwater Inspector - Municipal is appropriate for MS4 stormwater personnel including:

- Public Works
- Code Enforcement Officials
- Building Code Inspectors
- Floodplain and Watershed Personnel
- FOG Inspectors (fats, oils, greases)
- Consultants to MS4s

The instructor for this class is Paul Davis, P.E., retired Director of Water Pollution Control for Tennessee's Department of Environment and Conservation.
