Dear Colleague:

I'm writing to you to ask for your support of the Southeast Section of the Pennsylvania Chapter of the American Planning Association (APAPASE) in 2017. The Southeast Section represents the planning profession in Bucks, Chester, Delaware, and Montgomery Counties and the City of Philadelphia. Sponsorship is critical to our ability to offer outstanding educational resources and networking opportunities for our diverse network of members. We offer a variety of sponsorship levels and options to meet the need of any organization as outlined in the attached package, but we can also work with you to create a custom sponsorship to meet your goals.

APAPASE membership is diverse, reaching a wide variety of groups:

- Citizen planners, planning officials, and professional planners;
- Public, private, and nonprofits;
- Established planners, emerging professionals, and students.

The APAPASE Website features sponsor logos at www.apapase.org and sponsors are invited to send us articles or events to share with our members. Our website receives over 48,000 website hits and an average of over 2,900 unique visitors each month! Articles are emailed to over 700 planners and colleagues every other month. Our popular Job Postings section of the website has become a go-to tool for finding planning jobs in Greater Philadelphia and sponsors receive featured postings as articles on the website for greater visibility.

Professional Seminars & Events are made possible through all section sponsorship, but now your organization can sponsor a particular event for increased visibility. Our events range from informal networking happy hours to American Institute of Certified Planner (AICP) Certification Maintenance credited events depending on your organizational goals.

Emerging Professionals bring new vitality to the planning field! APAPASE sponsors are assisting the next generation of planners through programs geared toward emerging professionals. Sponsors now have the opportunity to sponsor our AICP study group or Mentorship program in particular.

The Annual Event & Student Scholarship Awards is the premier planning event in the region. Your organization has the opportunity to be the exclusive sponsor for the Annual Event and welcome the membership to the event. All sponsors are thanked and their logos displayed at our Annual Event, held each fall. Platinum and Gold Sponsors are given tickets to this event. The John E. Pickett Student Scholarship Awards are also given out at the Annual Event. You can make an additional donation to help sponsor the next generation of planners.

I hope you will consider supporting the Southeast Section. If you have any questions, ideas, would like to discuss a custom sponsorship, or would like to get more involved in the Section, please do not hesitate to contact me at sponsorship@apapase.org or by phone at 610-891-5219.

Sincerely,

Justin Dula, AICP
