

Papadakis Integrated Sciences Center

Chestnut St & S 33rd St, Philadelphia, 19104

April 14, 2018

9am - 6pm

In the birthplace of America, at the nexus of the Northeast Corridor (less than two hours from New York and Washington), we invite you to join us for TransportationCamp PHL 2018! The inaugural Philadelphia incarnation of the participant-driven TransportationCamp conference series follows the "unconference" format, lending itself to a more pertinent, thought-provoking, and active event. Whether you work in the industry or simply have an interest, come prepared for an exciting day of ideas situated at the intersection of transportation, technology, and urbanism.

Organized by passionate Philadelphians in conjunction with the Philadelphia chapters of Young Professionals in Transportation (YPT) and Women's Transportation Seminar (WTS), and Drexel University's Lindy Institute for Urban Innovation, we look forward to seeing you at Drexel's PISB center on April 14!

Tickets are limited. Get yours here today!

General \$25 | Student \$10
